

## COMPACT LEADERSHIP PROGRAM

A unique job-embedded management course  
providing immediate self-confidence for young leaders

2 half-day online training  
1 day in-person workshop

Individual  
Coaching

MBTI®  
Personality Profiling

## Topics:

- Self-Awareness
- Impactful Communication
- Effective Feedback
- Team Motivation
- Emotional Intelligence
- Stress Reduction

This management course focuses on the most essential aspects of leadership. Learning modules blend online training, live group exercises and reflection as well as follow-up work. This combination enables young leaders to practice the models used, experience key insights from their peers, and transfer knowledge immediately into their work reality.

The 6-week program is delivered in German or in English, according to the group needs.

## Price

- For individuals:  
Euro 1.495,- excluding VAT
- For companies:  
In-house program on request

## Agenda

- Program start: September 14<sup>th</sup>, 2020

## Location

- Cambiana Digital Campus
- Französische Strasse 12, 10117 Berlin-Mitte

For young managers, the current challenge of guiding people through uncertainty and into the new reality brings timeless needs into sharper focus. Emotional intelligence and flexibility become even more essential now, in order to keep teams cohesive, engaged and motivated.

Provide your leaders with state-of-the-art tools and training, increase their critical thinking and solution-focus to solve problems efficiently. And move your company forward!
